

# Proclamation

## by Governor Jim Justice

**Whereas,** more than 9 million Americans suffer with gout, the most common form of inflammatory arthritis, caused by uric acid build-up in the joints; and

**Whereas,** gout causes excruciating attacks and impacts a patient's workplace, community, and daily quality of life; and

**Whereas,** Black Americans are two to three times more likely to develop gout than White Americans, and are less likely to be prescribed urate-lowering medications or receive ongoing, routine provider care; and

**Whereas,** Asian Americans and Asian Pacific Islanders are also at an increased risk of gout; and

**Whereas,** 39% of the Hmong population shows signs of gout prior to age 30; and

**Whereas,** stigma, lack of awareness and misinformation may hinder treatment for gout, a chronic disease characterized by sudden and excruciating attacks; and

**Whereas,** heightening public awareness can reduce the unfair stigma people with gout experience, and empower patients to seek quality care and timely treatment.

**Now, Therefore,** Be it Resolved that I, Jim Justice, Governor of the Great State of West Virginia, do hereby proclaim *May 22, 2022* as:

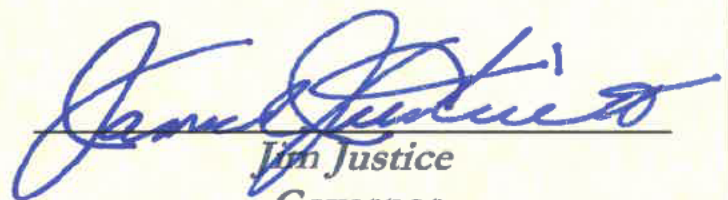

### *Gout Awareness Day*

in the Mountain State and encourage all citizens to join me in this observance.

**In Witness Whereof,** I have hereunto set my hand and caused the Great Seal of the State of West Virginia to be affixed.

**Done** at the Capitol, City of Charleston, State of West Virginia, this the Twentieth day of April, in the year of our Lord, Two Thousand Twenty-Two, and in the One Hundred Fifty-Ninth year of the State.

  
Jim Justice  
Governor

By the Governor:

  
Mac Warner  
Secretary of State
